

COBB CHILDREN'S THEATRE VOLUNTEER FORM

We are a non-profit organization with which we strongly depend on our parents and other volunteers. Please fill this form out to the best of your ability and someone will be contacting you to help in some way. Please do not just say no. If it is not convenient for you then by all means make a suggestion for another date or area. Thank you for all your cooperation.

These are some examples of areas that we need volunteers; putting together a slide show, back stage parents, dressing room parents, lobby monitors, selling things in the lobby, collecting tickets, wardrobe, props, fundraising, ticket sales, group ticket sales, website development, public relations, media relations, loading and unloading the truck, supervising rehearsals, making telephone calls, painting, working on sets, and many more.
